Privacy Fence by Ultra

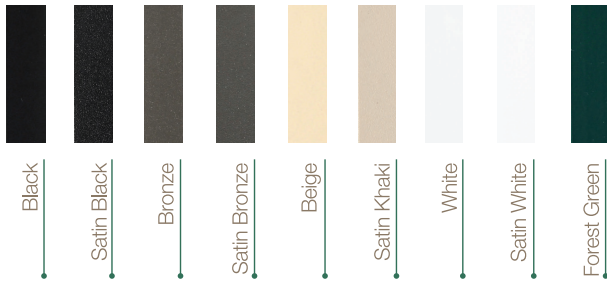

We push everything to the edge.

The ultimate in heavy-duty, low-maintenance privacy and security for any residential, commercial or industrial application. Eclipse™ Privacy Fence is offered in 6' wide by 4', 5' and 6' high sections, with four top rail profiles to choose from. Manufactured with Ultrum™ alloy, with a minimum strength of 35,000 psi, Eclipse is strong as steel, but will never rust.

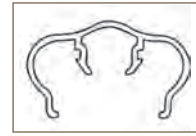

All components of your Ultra Eclipse™ privacy fence are color-matched.

All colors are applied with a special Powercoat™ finish to resist harsh weather and heat. Custom colors are available with a modest upcharge.

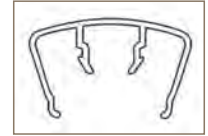

Colors shown represent an approximate comparison and may vary slightly from actual product color.
