

Aluminum Frame System for Vinyl T&G Panel Inserts

An Architecturally Appealing Privacy Fence with a Lifetime Limited Warranty.

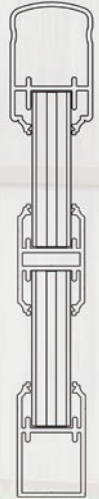

This beautiful new low-maintenance privacy fence combines the strength of extruded aluminum top, middle and bottom rails to be combined with rich solid or variegated-color vinyl panel inserts.

Ultra™ Vinyl Privacy 3-Rail System

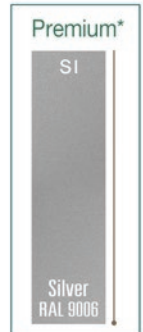

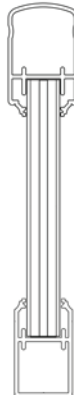

- Super Low-Maintenance Aluminum and Vinyl
- Never Needs Painting
- Won't Rust, Rot, Crack or Peel
- Lifetime Limited Warranty

Ultra™ Vinyl Privacy is offered in 8' wide by 6' high sections, with 3" or 4" posts. Ultra™ Vinyl Privacy comes in five frame colors, and is designed to fit any standard 7/8" x 6" T&G vinyl board.

Note: The 3-Rail System is recommended for variegated and darker vinyl insert colors.

Ultra™ Vinyl Privacy 2-Rail System

Colors shown represent an approximate comparison and may vary slightly from actual color. *Premium Colors are available at an extra charge and may require additional lead times. Ask your Ultra Representative for details.

Privacy with Strength

Ultra[™] Vinyl Privacy privacy fence features strength and durability that you just can't get from typical vinyl or wood systems. It's the ideal privacy panel for a residential, commercial or industrial application—to contain or shield air conditioning equipment, balconies, dumpsters, pipes, and electrical systems. Ultra[™] Vinyl Privacy won't rack and wobble. It is designed to last for years and years without the worry of ongoing maintenance.

Ultra Lifetime Warranty

Ultra Aluminum[™] railing products are warranted for life against defects in workmanship and/or materials. The Ultra Powercoat[™] finish is guaranteed for life against cracking, peeling or chipping.

Ultra Aluminum Alloys

All Ultra Aluminum[™] railing components are extruded from Ultrum[™] alloy, with a minimum ultimate strength of 35,000 psi.

Environmentally Responsible

Ultra Aluminum[™] is proud to use recycled aluminum in our products, and our Powercoat[™] coating process is environmentally friendly and virtually pollution-free.

Textured Finishes

Our advanced Powercoat[™] finish meets AAMA 2604 allowing us to produce a high-quality, long-lasting finish.
