

## Ultra Aluminum™ Column Wraps are the Perfect Addition to all your Porches, Decks and Walkways.

Our easy-to-build Column Wraps and Newel Posts provide high quality at a more reasonable price. Ultra Aluminum™ offers 9 different gloss and textured colors, and a two popular width options. It all comes together to form a custom look and feel that will work well with your home and landscaping designs.

All Components  
are Super  
Low-Maintenance  
Ultra Aluminum

Never needs  
painting

Won't rust, rot,  
crack or peel

Easy to Install

Column Wraps  
and Newel Posts  
require treated  
wood inserts,  
and cannot be  
used alone to  
support any  
load-bearing  
structure. ▼

### Colors

The powder-coated finishes available for Ultra Aluminum™ Columns, and Newel Posts are all applied with a special Ultra Powercoat™ finish-- to meet AAMA-2604 Standards and to resist harsh weather and heat.
