

**Ultra Max® Aluminum Railing is CCRR Code Approved and the perfect addition to all your porches, decks and walkways.**

Our easy-to-build railing kits provide safety and high quality at a more reasonable price. Ultra Max® railing offers an elegant handrail profile, classic baluster configurations, 4 different low-luster colors, and a wide array of post options. They all come together to form a custom look and feel that will work well with your home and landscaping design.

- All Components are Super Low-Maintenance Ultra Aluminum
- Never needs painting
- Won't rust, rot, crack or peel
- Easy to Install

**Design Options**

Ultra Max® Railing has an elegant handrail profile and two classic baluster configurations.

UMX-200 2R Two Rail

UMX-200 3R Three Rail

Top Rail

Bottom Rail

**Balusters**

Ultra square balusters, 3/4" wide, come standard, and are engineered to fit snugly with our Ultra Max® Connector System.

**Ultra Max® Connector System**

It allows for the quick installation of balusters without any screws or spacers, guiding balusters in place and eliminating rattling noise.

**Colors**

The powder-coated finishes available for Ultra Max® Railing, Gates and Accessories are all applied with a special Ultra Powercoat™ finish to resist harsh weather and heat.

## Ultra Max® Railing Specifications

## High Quality Textured Finishes

Our advanced Powercoat™ finish allows us to produce a high-quality, long-lasting finish, which is also environmentally friendly. The Powercoat™ finish is twice the thickness and hardness of a typical baked enamel finish, and meets AAMA 2604 standards for the ultimate in durability and UV Protection.

## Environmentally Responsible

Ultra Max® is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat™ coating process is environmentally friendly and virtually pollution-free.

## Materials

All Ultra Max® railing components are extruded from Ultrum™ 6005-T5 alloy, with a minimum ultimate strength of 35,000 psi. Ultra Max® posts come in a variety of thicknesses, and are also Powercoat™ finished.

## Ultra Max Lifetime Warranty

Ultra Max® Aluminum railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish carries a lifetime limited warranty against cracking, peeling or chipping.

Visit our website for more information and a copy of the warranty.
