

Ultra Signature™ Aluminum Posts and Sleeves by Ultra Aluminum™

Low-Maintenance • Powder Coated • CCRR Code Approved #0278

Ultra Aluminum™ Posts and Sleeves are Code Approved-- providing a strong component for your balconies and walkways.

Our factory-built post and railing systems provide safety, premium quality, and an architecturally-pleasing design. Ultra posts come in a wide array of widths, wall thickness and heights, with 10 different gloss or low-luster color options. Together, with our two-piece railing system, they form a custom look and feel that will work well with your architectural plan and landscaping designs.

Colors

Our special Ultra Powercoat™ finish is resistant to harsh weather and heat.

Colors shown represent an approximate comparison and may vary slightly from actual product color.

High Quality Textured Finishes

Advanced Powercoat™ allows us to produce a high-quality, long-lasting finish, which is also environmentally friendly. Powercoat is twice the thickness and hardness of a typical baked enamel finish, and meets AAMA 2604 standards for the ultimate in durability and UV Protection.

POWERCOAT

Environmentally Responsible

Ultra is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat coating process is environmentally friendly and virtually pollution-free.

Ultra Lifetime Warranty

Ultra Aluminum railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish is guaranteed for life against cracking, peeling or chipping.

Visit our website for more information and a copy of the warranty.
