

Superior Product Design for Ultra-Strength

High-strength Ultrum™ Alloy,
It's as strong as steel, but
will never rust.

**Factory assembled, with
stainless-steel fasteners**
For structural integrity and
strength you can count on.

**All gates are fastened and
100% welded at all
connections and joints**
Designed to stand up to the
rigors of everyday use.

**Powercoat™ Finish—
panels, gates, posts and
designer accessories**
Our Powercoat™ finish
provides ultra-durable,
fade-resistant and scratch-
resistant protection.

Colors

Ultra Aluminum™ fencing, railing, gates and designer accessories are available in nine classic colors as well as custom specified hues. All colors are applied with an exclusive Powercoat™ finish to resist harsh weather and heat.

Standard Ultra Aluminum Colors							Premium Colors*

Ask your Ultra Representative for details.

Ultra Aluminum™ Lifetime Warranty

Ultra Aluminum fence
and railing products
are guaranteed for life

against defects in workmanship and/or materials. The exclusive Powercoat™ finish on all fencing and railing by Ultra Aluminum is unconditionally guaranteed for life against cracking, peeling or chipping. Visit our website—ultramaxrailing.com—for more information.

Environmentally Responsible

We are proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat™ coating process is environmentally friendly and virtually pollution-free.

Designer Accessories

Our cast aluminum designer accessories include scrolls, butterflies, circles and two styles of finials, all available in the same Powercoat™ finish for a perfect accent.

From Left To Right: Decorative Circles, Butterfly Scrolls, Large Scrolls, Quad-Finial, Tri-Finial, Ball Cap

ULTRA RAILING™

Ultra Aluminum™ 1.5" Secondary Handrails

We designed our Ultra 1.5" secondary handrail as a modular system to meet the railing code requirements for the Americans with Disabilities Act and Uniform Federal Accessibility Standards. It works well with Ultra Signature™ and Ultra Max® Railing systems.

Pool Fencing

We design fencing to meet all the stringent BOCA pool safety codes, and to enhance your property at the same time. Most notably, the bottom rail can be flush with the bottom of the fence, so no pickets are exposed.

All pool fence sections come factory pre-assembled in 6' lengths with a broad offering of heights— 48", 54", 60", and 72". Custom lengths and heights available.

OUR FENCING IS SPECIALLY DESIGNED FOR SAFETY AROUND POOL ENCLOSURES.

Walk and Drive Gates

Matching Walk and Drive Gates can typically be manufactured in widths ranging from 3' – 28' and in heights from 3' – 8'. Please consult your sales representative for variations.

STANDARD WALK GATE

STANDARD DRIVE GATE

ULTRA ESTATE COLLECTION DRIVE GATE

We make a scale of fencing for every neighborhood and home style. All fence sections come factory pre-assembled in 6' lengths with a broad offering of heights—36" to 144". Custom lengths and heights are available by special order. Each section easily follows modest changes in grade along your property lines, or can be factory designed to conform to more prominent hills and valleys.

An independent test lab pushed our fencing and our competitors' to their limits. The Rail Strength Test revealed the extra pressure that Ultrarail™ can withstand on a daily basis, surpassing one competitor's product by nearly 100%.

An independent lab's accelerated weathering test shows that the Ultra's exclusive Powercoat™ finish maintains higher levels of UV Protection compared to other leading manufacturers' finishes.

RESIDENTIAL SERIES sets the standard for perimeter and pool fencing.

1.0" X 1.125" REINFORCED RAIL
0.625" PICKETS

COMMERCIAL SERIES has larger-scale components for heavier-duty performance.

1.25" X 1.375" REINFORCED RAIL
0.75" PICKETS
1.5" SPACING (OPTIONAL)

ECLIPSE™ PRIVACY SCREENING the ultimate in heavy-duty, low-maintenance privacy and security.

0.75" X 5.0" X .080" T&G BOARDS

Industrial Strength

For applications where additional security and strength are required, Ultra has developed Industrial Series fencing. Our Industrial fence sections come in 6' and 8' lengths, and heights from 3' to 12'. Custom lengths and heights are available by special order. Some limitations apply; ask your sales representative for details.

Industrial Series also available in Premium grade, featuring a 2-piece fully encased rail that provides additional strength and hides the fasteners.

INDUSTRIAL SERIES incorporates our largest-scale components for industrial-strength and safety.

1.625" X 1.625" REINFORCED RAIL

1.0" PICKETS

259 MPH TOUGH!

Our fencing tested to withstand hurricane wind gusts of up to 259 MPH.

Ultra Signature™ Collection

Ultra Signature™ Railing is ICC (International Commercial Code) code approved. The outer rail provides a secure hand grip, and completely covers all stainless steel fasteners for a sleek look.

Smart Two-Piece Design

- Sleek and strong
- Slim extrusions to maximize view
- Hidden fasteners
- Impervious to insects

ULTRAMAX®

ALUMINUM RAILING SYSTEMS

Code Approved – CCRR-0278

A safe, low-maintenance Ultra Lifestyle now comes in a kit.

Our easy-to-build railing kits provide safety and high quality—at a more reasonable price. Ultra Max® Railing offers an elegant handrail profile, with two classic baluster configurations, in 4 textured colors. They all come together to form a custom look and feel that will work well with your home and landscaping design.

Fast-Track 2-Piece Bracket and Baluster Installation

Ease of installation, combined with the strength of our aluminum construction, are the key features in the new Ultra Max® Railing Systems. The Ultra Max® Connector System allows for quick installation of balusters without any screws or spacers. It guides balusters in place and eliminates rattling noise.

Accessories

Add special interest to your porch or deck with our 6" x 6" and 8" x 8" Newel Posts and Columns—in colors to match your railing.
